

SECRETS OF THE KINGDOM

Prov 25:2 It is the glory of God to conceal a matter. To search out a matter is the glory of kings.

Job 33:14-16 For God may speak now one way, now another, yet man does not perceive it. In a dream in a vision of the night, when deep sleep falls upon men, while slumbering in their beds then He opens the ears of men and seals their instructions.

EYES TURNED BLUE

I dreamt that I was looking into a mirror and my eyes changed to a color of blue that I had never seen before. Next, I looked again into the mirror. This time my hair starts growing out white. At one point, my hair was half natural and half white. It just kept growing. Then I woke up.

Focus: Dreamer

Sub Focus: Eyes- revelation, insight Detail: Blue- revelatory gift

Sub Focus: Hair- wisdom Detail: White, growing

Sub Focus: Mirror- reflection, awareness

Purpose: to encourage the dreamer about what God is doing and the positive changes that are taking place in the dreamer's life.

I was enrolled for an advanced degree. I was failing because I missed some classes and hadn't completed the assignments. The deadline for dropping had passed. I felt a sense of panic that my transcript would contain failing grades and that I had to pay for the semester that I would need to repeat.

I had a rather disturbing dream. I was a baby being born. I was sick and I was drowning in bitter bile. Then I woke up, knowing that I had a critical spirit. (like you talked about in class)

Demons in Dreams

Recently I had a dream with a beautiful, friendly person of the opposite sex, I woke up and felt sexual temptation. I rebuked it in the authority of Jesus' name.

One week prior, I had a warning dream for the church that was confirmed. I shared it with the prayer leader. No aftermath. No fear.

Why am I having this dream now? Is Holy Spirit stepping me up?
